

Mr. ROUZER. Mr. Speaker, how much time do I have remaining?

The SPEAKER pro tempore. The gentleman from North Carolina has 2 minutes remaining.

Mr. ROUZER. Mr. Speaker, again, we have had the opportunity here tonight and before to have a very open bipartisan process. And that is not what we have had, and that is quite regrettable. It is regrettable from not only a standpoint of this institution, but it is regrettable for the American people.

You know, all the proven successful surface reauthorization bills and wastewater reauthorization bills, they went through a thorough bipartisan process. That is not what we have had. Instead, we have just had lip service.

When House Republicans held the majority, we led every successful bipartisan effort in the last 30 years to reauthorize surface transportation programs.

However, this time around, there has been little opportunity for meaningful input from the minority, and this en bloc process just continues down that same road.

Look no further than the number of Democrat amendments that we have considered today, many of which have not been subjected to the scrutiny of a standalone vote or debate. More than 100 Democrat amendments have been approved by the Rules Committee, while less than 30 Republican amendments have been made in order.

The majority argues they are moving this through regular order and providing both sides with the opportunity to offer amendments. That is not true.

Both sides should be appalled that this en bloc takes away from our individual right to speak on these individual amendments and randomly groups them with other items with zero input given to the amendments' sponsor. It is all just a partisan move meant to further suppress the minority's rights to fairly represent their constituents.

I think we can all agree that every Member deserves an opportunity to be heard on these amendments.

Mr. Speaker, I encourage my colleagues to vote against this amendment, and I yield back the balance of my time.

The SPEAKER pro tempore. Pursuant to House Resolution 504, the previous question is ordered on the amendment offered by the gentleman from Nevada (Mrs. LEE).

The question is on the amendment.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mrs. LEE of Nevada. Mr. Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this question are postponed.

Pursuant to clause 1(c) of rule XIX, further consideration of the bill (H.R.

3684) to authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes, is postponed.

ELECTING A MEMBER TO A CERTAIN STANDING COMMITTEE OF THE HOUSE OF REPRESENTATIVES

Mr. ROUZER. Mr. Speaker, by direction of the House Republican Conference, I send to the desk a privileged resolution and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 511

Resolved That the following named Member be, and hereby, elected to the following standing committee of the House of Representatives:

COMMITTEE ON FINANCIAL SERVICES: Mr. Sessions (to rank immediately after Mr. Lucas).

The resolution was agreed to.

A motion to reconsider was laid on the table.

STATUS OF THE HYDE AMENDMENT

(Mr. BURCHETT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURCHETT. Mr. Speaker, Joe Biden's budget request is troubling for many reasons. Today, I want to focus on how the President is weaponizing his budget to the left's anti-life agenda.

In his fiscal year 2022 budget, President Biden has called on Congress to eliminate the Hyde amendment, which Biden used to support when he was in the United States Senate.

The Hyde amendment is common-sense policy that has stood for decades. It would be wrong to force pro-life Americans to fund abortions against their moral will.

Mr. Speaker, abortion goes directly against the Catholic Church's teachings, but Joe Biden, a Catholic himself, has embraced abortion.

I applaud the United States Conference of Catholic Bishops for sticking to their guns about the church's principles. On June 18, the organization condemned President Biden's assault on right to life by overwhelmingly voting to deny him communion.

Eliminating the Hyde amendment would be a death sentence for millions of unborn Americans, Mr. Speaker. Being anti-life is now the price of admission into today's Democratic Party, but Joe Biden knows deep down this isn't right.

The President needs to buck his party's radical base on this issue and ditch his plans to scrap the Hyde amendment.

Mr. President, get back to your roots from when you were a Senator. Make the right decision and protect the lives of the unborn.
